

Tales of Murder acted out on a Geneva Tram – June and September

June 5, 2019 by Catherine

Tram'Drames is a dramatic production which will take place in French and in English (see dates below) on an old Geneva vintage tram. This is a half-scripted, half-improvised account of some of Geneva's grisliest murders, all told in period costume. Hang on for a gruesome ride through the seedy underbelly of the city!

Geneva seems to be such a respectable place, yet the City of Calvin keeps many secrets. There is another side to Geneva, weird and dark. Unexpected, surprising, shocking. A Geneva so unknown that even the Genevois themselves are unaware of it.

The Renegade Saints (Geneva's English improv group) have partnered with Compagnie La Mouette to present a night at the theatre – where the stage (and the audience) travel along the tram tracks.
